18 – Natalia O.
31 – Beckham S.

FROM AMANDA

Hi Families,

It's hard to believe we're already more than halfway through summer! We've had so much fun making memories with your children while staying cool with water activities.

As we look ahead, our annual Move Up Day will be on August 3 as we begin the 2026–2027 school year. Most children will move to their new classroom and teacher on that day. Later this month, I'll send information about your child's new class, along with any important details and answers to any questions you may have.

Thank you for your patience in the parking lot during our busy summer season. Please continue to use extra caution while driving, parking, and loading or unloading children to help keep everyone safe.

We're looking forward to more summer fun throughout July and appreciate you being part of the RRDCN family!

 Amanda
