WELCOME BACK TO SCHOOL

FROM AMANDA

Hi Parents!

We had such a fun summer with your babies, but I'm excited to get back in the routine of our "school year." It is a joy to watch our RRDCN children learn and grow throughout the year. All parents, except children staying in the nursery, should have received an email this past week about our "move up day." If you did not receive an email, let me know.

I will be updating and sending home a new Family Handbook this month. I will highlight any updates in the email I send out. There will be a list of holiday and other daycare closures located in the handbook.

We will be using ProCare more frequently and in a greater capacity, so please make sure you have access and are receiving notifications.

As always, thank you for your support and trust in us. We are looking forward to a wonderful year!
