

RRDCN NEWSLETTER

October 2026

Happy October, Families!

Thank you for participating in our Book Blast. This was our first time participating in this program and it was a huge success! All daycare children enrolled at RRDCN on kick off day will receive the entire set of ten books for their age level. That is a total of 780 books given to children at RRDCN. WOW! Also, all teachers will receive a class set, plus the daycare center received over \$100 to spend at the Book Blast webstore. THANK YOU! I hope you enjoy reading these books with your little ones.

We have an exciting month ahead filled with learning, fun, and special events! Our Grandparent Picnic will be held on October 23rd from 10:30-11:30am and Halloween Parties will be on October 30th. Please check the bulletin boards near your child's classroom for info regarding these events.

I'm excited for a fun and busy month ahead!

IN THE CLASSROOM

Theme 1: Safety First

Little ones need lots of help learning to be safe! This theme encourages children to see firefighters, paramedics, police officers, and other emergency workers as helpers who keep them safe. Songs, rhymes, and games will help children learn basic safety practices in a fun way.

Theme 2: Wiggly Wonders

Get ready for wiggly, jiggly fun as children learn about and investigate what slithers through the grass, weaves a web, and floats deep in the ocean. Lots of wonders are hiding all around!
